

# Living Bread Missions

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Churched.

## Praising God for His work

Living Bread Missions churches celebrate 20 years of labour to reach the unreached.

### 20th Anniversary Celebrations.

“O God our help in ages past, our hope for years to come...”, and the missionary appeal and response, “We will preach this gospel until He comes again.”

Several messages were threaded throughout the celebration: 1) go with it wherever you are found in life, 2) the beauty of working with others, 3) professionalism is not a hindrance to the preaching of the gospel – indeed Jesus insisted that we are the salt and light of the world.

Since light cannot be taken out of the world and salt cannot be subtracted from anything palatable, the

Christian doctor, teacher and nurse has an indelible mark on his field of endeavor.

The focus of this year's missions conference/anniversary celebration was “Bringing Home the Harvest.”

### Youth Camp/Church Planting in Dzodze Penyi.

On 24th August our brothers and sisters went house to house with the goal of church planting. The Youth Mission Camp also used a film outreach to successfully reach youth. Topical issues dealt with, the youth in church planting efforts and addressing the future. The Annual Missions Youth Camp occurred 23rd-27th August.

### Get To The Roots Project in Upper West Region.

A strategy to reach children in the Upper Volta West Region, we are training 100 teachers within a year to achieve this goal of reaching 2500 kids through focused missionary activity.

The Rev. Janet Dorkunor and Brother Hope Ameyaw traveled to Wa to join Pastor Alex Ofori in training 36 participants for this first session 28th August - 8th September. Volunteers were trained in the basics of child evangelism before they were sent out to talk with the children.

Sowing the seed in the morning and not withholding our hands in the evening, giving a seed to seven and also to eight – as the harvest of yesterday's seed is being reaped, we must plant new seeds. We cannot stop preaching this gospel. Focus on children is critical in winning the battle.

### Precious Kids Batch 4 passes out.

Once again, God has helped our students pass out with qualifying grades to enter the Senior High School grade. All have passed creditably and have been allocated choice Schools by the computerized system. We are grateful that we are growing from strength to strength. It's great to be with the winners. It is also encouraging to know that some of our kids from the first batch have gained direct admission into tertiary institutions whilst others wait their turn. To God be the glory, great things He has done.

*In Wa, Janet engages a group of the child evangelism trainees in the principles of spreading the gospel to the young ones. Then the trainees got to apply what they learned by taking the gospel to the children.*

## PRAYER REQUESTS

Pray for Pastor Alex in Wa who is leading the GTTR Project to reach the children. Pray for the trainees' implementation of His word. Pray for our own commitment to the harvest.

Pray that we the church will stand our ground in the face of any form of challenge. We are more than conquerors.

Prayer works! Keep praying for the church-planting efforts in Dzodze Penyi and Pastor Mike Ahiadzou. Pray for the establishment of the souls in the new church. Prayers sustains the new souls.
