Spreading the Good News

Activities among the LBM churches focus on sharing the Gospel in neighborhoods and unreached villages.

1. Get To The Roots Training.

The training in Wa centered on equipping disciples to take the Gospel to children, to families, to communities. One testimony included how one pastor's own son was led to Christ. The support of various Churches collaborated in taking the training to the next level. We have been able to draw on the participation of Churches such as the International Central Gospel Church, Church of Pentecost, Global Evangelical Church and others. Of special mention is Pastor Bede Zuuri who leads a work in Saan among the Waala people. He was excited about the benefits his village church will derive as mothers in his church will be taught to take the gospel to their own families.

Evangelism in the communities of Local Churches in LBM.

In the Ashaiman Tema District, outreaches were organized on Sunday mornings as well as film outreach and street tract sharing through the Redemption, Vision, Open Gate congregations. Some baptisms signifying full acknowledgment of Christ as Lord and Savior was also recorded in some branches. Young people, having gone through a series of Biblical studies, agreed to be baptized into Christ.

Left. Pastor Tim and his wife Bev gave trainings in Wa and Bolga, and they and Sampson met with the new church in Banda (below).

Mission Trip.

With Tim and Bev, we toured Togo North and Northern Ghana. A new Church was birthed in the Banda area (below) where there have been some struggles for sometime due to the absence of a substantive missionary. A training also occurred in Bolga (left) to empower the disciples on strategic ways of assuming leadership and multiplying results. One way to facilitate the field work is to help some disciples to own a bicycle.

PRAYER REQUESTS
