

Living Bread Missions

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Church.

Focusing on His Mission

Fasting for 21 days in November stimulates a renewed commitment

1. General LBM prayer and fasting month

Prayer and fasting was observed successfully in all branches. Missionary families and individual members were duly covered. The time offered opportunities for God's covenant with the LBM to be renewed. Sampson visited the Church in Togo (*see photos at right*) to encourage them in standing fast in the will of God despite the political upheaval and street demonstration which was ongoing at the time of the fasting and prayer. Throughout the daytime prayers, night vigils and individual intercessions, we are assured of God's presence. We are therefore very hopeful of the future and trust that we shall be "Occupied Till He Comes." We are renewing our commitment on theme for 2018 "Walking in Step with God's Mission - Missio Dei." May this New Beginning lead us to higher dimensions in our walk with the Risen Lord and Master of our calling.

2. Bearing Fruit

The Get to the Roots Project aimed at reaching young hearts has started producing results as some of the trainees have started the expected Good News-Clubss in their communities. It is exciting to hear from

trained teachers that kids are responding to the gospel meetings being held. So far, kids are meeting in more than five different locations for Bible Studies and other creative learning activities. The next phase of training for Teacher Development under the GTTR is scheduled for January 2nd to 12th, 2018, again in the Upper West region of Ghana. We ask prayer for God-directed and willing individuals who are obedient to His call to reach the next generation for Christ. "Unless the younger generation understands God's foundation for the Church, the future is seriously at risk."

Pray for deep and true love for Christ and the Scriptures among the youth and children (2 Tim 1:5-6; 1 Tim 4:13). Pray also for the youth to love preaching Christ

with their professions and lifestyle 2 Tim 4:12.

3. GEMA MISSIONFEST

LBM & and its closest ally, Association Community Missionaries were among many who participated in Ghana Evangelical Missions Association's MISSIONFEST 2017. The three day event addressed issues of the Church's readiness to reach the unreached in appropriate and strategic ways within one generation. The highlight was the active involvement of the younger generation. Featured focuses include prayer (led by Jason Mandryk of OM & OW fame), Christlike Dis-

cipleship and The World of Islam. Teams from the mission field came to learn and share their experiences as well as testimonies.

4. Pray for Sampson and Janet

Of late there had been several revelations of demonic threats on their lives. In this month, their vehicle was smashed and electronic equipments (laptops and accessories) were stolen. The documentation loss was great, but Christ is still Lord in all these matters. "For us to live is Christ and to die is gain - as we continue to live, it should be for only fruitful labour for the sake of the Kingdom."

5. ACM BANDA

Missionary Francis Akoliga and his disciples collaborated with his discipler Kojo Issaka for discipleship training and in the process, evangelized a new village in the Banda community. Immigrant fisher folks from the Volta Region were also located and ministered to. This promises to be another occasion for sending the gospel across cultures.

PRAYER REQUESTS

- Pray for a hedge of protection around Sampson and Janet. Satan rejoices when he can interfere with ministry leaders.
- Pray for the next Teacher Development under the GTTR is scheduled for 2-12 January 2018 in Wa.
- Pray for 2018. We pray for His abundant blessing on the Vision He has given us. Pray for His hand upon our hearts as we seek to serve Him.
- Pray for greater fruit to the ministry in Dawa - for the weekly meetings with the children and for funding for a roof to the first building of the Educational Institution.
- Please continue to bear Togo before the throne of grace.
- May the blessing of Christmas be expressed through the giving of gifts to support His mission.
