

# Living Bread Missions

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Church.

Volume 4, Issue 3

March 2019

*To achieve the goals of training, outreach and church planting, many serve the Lord through attendance to hear from His anointed leaders.*

## Training equips for outreach

### 1. Cooperating to Build for Church Growth.

The leadership of the Tema - Ashaiman District decided to gather in support of the Faith Assembly congregation in the month of March. The gathering engenders fellowship, community and encourages the young churches to learn how to build the Kingdom together. Pastor Godfred, the host of the gathering, encouraged the whole Church to be committed to honoring their God-given obligations towards fulfilling God's purpose for individuals and the ministry as a whole.

### 2. Visiting the fields.

There were field visits to Banda (Bono region of Ghana), Sawla in the Northern Region, and Wa in the Upper East regions of Ghana. Once again it's been proven that those who venture make inroads (Ps 107:23-24). It was exciting and challenging at the same time, seeing that the cars we pride ourselves in cannot reach certain terrain. The Nissan 4x4 Hardbody vehicle couldn't reach some of the villages, and we had to jump on the back of motor riders. Souls are being touched and prepared for heaven. In

their simplicity and honesty they worship the Lord with authentic music and dance. The Western field is seeing new leadership developing, and Sampson was on hand to train and make investment in their lives. In Sawla, we ministered to several young people, apart from adults who included the Ongoli chief who was part of the Church in the village. We celebrated the chapel building - the members are happy to meet in a secured place as compared to meeting under trees.

### 3. Pray for Precious Kids Academy.

The Creche to Junior High School Christ-centered educational institution continues to experience growth and development. All the teachers at post are doing well, and necessary steps are taken to ensure the focus of Christ is kept in the academic work, interpersonal relationships, and operational standards. The current Junior High School will be writing their final/graduating examinations in June this year. We seek your prayers for successful completion of the courses of study.

### 4. Touching Young Hearts.

The month of March was dedicated as Evangelism Month. Congregations reached out to preach Christ in their neighborhoods. Pastor George Grow and his El Beth-el congregation continue to reach out to their community in search for souls; preaching the gospel of the Kingdom and making disciples for the Lord. George started ministering to the Mawuli Basic School and touched many young hearts for Christ.
