God Has Done So Very Much for Us

Candidates for baptism are confessing Christ, just prior to the recent baptism service in Togo.

1. Partnering with Reaching the Unreached - Community Churches in Ghana and Togo

God supplied resources for about 18 simple new places of worship. Praise God. Several recorded baptisms before and at Christmas Conventions are enough testimony that we can take more worshippers in 2020. We can't forget the young man Cooper from Lincoln, NE - a grandchild of Rodney & Malinda Hinrichs who donated a bicycle (equivalence of \$100) from his savings/piggy-bag to facilitate a missionary pastor's journey into Burkina Faso.

2. Still Making Progress with GTTR - Proverbs 22:6

We have received reports from the trained teachers of the (GTTR - Get To The Roots). They are reaching unreached kids outside the Church and in the communities. They are sowing the undying seed of the Gospel in infant and fertile hearts in Schools, Communities, Churches and wherever we find them. We are preparing tomorrow's church and powerhouse today - "a young tree has greater potential for fruit than a dying tree." Keep praying and supporting us.

3. Prayer Is Our Backbone - Joel 1:14

The Living Bread Missions was born into ministry through a 21-day fast called by the Lord . Twenty three (23) years down the lane, we still embark on seeking His direction annually. Many joined in intercession on many issues related to missionary work and projects in the LBM. We praise God for answered prayers as we report. If you are interested in continuous mission prayer, link up on 0244230290 by whatsapp.

4. More People Engage in Fulani Ministry - Rev. 7:9

We continue to pray tirelessly for the unreached Fulani people. So far, we have been training people who are ready and poised to make a difference in the life of a new generation of nomads - willing to localize and consider the merits of Jesus Christ as the Great Shepherd. Continue to pray for the G village project with three key personnel committed to results - changed lives.

5. Weekly Radio Broadcast in the Volta Region

We praise God that the weekly live radio broadcast (The Hour of Transformation) on Fafaa FM is yielding salvation, solving problems, and also building solid Christian faith through teachings which many attest to. Listenership is growing, and responsive calls are frequent - assisting many to handle practical issue of life.

Chapels in Sargadugou (right) and Sabie (left) are providing new places of worship. Top: Baptisms occurred on Christmas Eve in Zebilla.

6. LBM Farms Ltd

From the records, our coconut and mango plantation saw a boost whilst the vegetable and maize cultivation had a slow start. The Borehole water and power generator supports the process, and we expect greater returns through the vegetable irrigation processes. At least 59 workers benefited from day jobs on the farm this year. Thank God for consultants, LBM executives' com-
