

# Living Bread Missions

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Church.

## Relying on the Lord's Help for Advancement in Missions

### 1. The Lord is our Help - Psalm 20:1-4.

Intercessory prayers were said on behalf of all LBM plans and desires for the 2020 operational year. The various area church prayer warrior groups met and stood in the gap. We identify with the songwriter and shout, "O God our help in ages past; Our hope for years to come; Our shelter from the stormy blast; And our eternal home." He alone makes our hearts desires and plans come to fulfillment.

*Nsawam-Kasoa area prayer warriors petition the Lord, standing with the rest of the Church.*

### 2. Goal for 2020.

The purposes of God remain unchanged. The Great Commission remains our bidding - we are determined to make more disciples who will take the Gospel to the unreached. Our focus is on unleashing the younger generation. LBM is committed to Making Christ-Like Disciples in 2020. Pray, pray, and pray for more harvesters into the vineyard.

Matthew 9:37-38: "37 Then he said to his disciples, 'The harvest is plentiful but the workers are few. 38 Ask the Lord of the harvest, therefore, to send out workers into his harvest field.'"

### 3. Praise God for the Adu-Nyarkos.

As the Lord would have it, Beatrice and Isaac have been blessed with a baby boy. We are trusting God that they would disciple the boy as he grows. Pray for the Bono Mission project as steps are taken to ensure the work progresses according to plan (Prov. 16:9, 3).

#### 4. Collaborating with Malku Institute of Technology & Community Health Evangelists/Educators.

A training session was held at Walewale in the North East region of Ghana to empower over 60 participants. The trainees are released as change agents in their own communities. Majority of participants were drawn from the Mamprusi area under the Kurugu chief who desires to see his people experience Christ and development.

*Health Evangelists/Educators met in both small and large groups to strategize how best to work in their communities.*

*Above: Good News Clubs meet regularly at Precious Kids Academy to reach into the neighborhood. Below: Students are awaiting their turn to act out passages during the Festival in December.*

#### 5. Precious Kids Academy.

We bless the Lord for advancement in our ministry to kids. We thank God for teachers who are committed to ensuring that the more than 230 kids, and others in the Precious Kids Academy environment are exposed to the Scriptural mandates for life and living. These committed teachers and their leadership are reaching kids in the classrooms, during co-curricular activities and drawing them more towards the goal of disciple-making. We pray for greater impacts for life.

## PRAYER REQUESTS

A. The LBM Children's Missions Camp is slated for 13th - 19th April. We encourage friends and supporters to help us financially so that we can enroll and send many more young people to the Missions Camp. Activities include Bible Lessons, Missionary Storytelling, Community Outreach/Evangelism, Devotionals, Games, Household Manners. More finance, more children exposed. Seeds of His divine word are sown in vital souls perpetually.

B. A Missionary Base in Techiman. We have plans to set up a missionary base for the Bono Mission project in Techiman. It will be a place for discipling and also for organizing the first people who come to know Jesus as Lord and their personal Savior. Pray for wisdom as we explore the opportunities available.

## Support is easier
