## Going Beyond the Challenges of the Moment - Glory Awaits Us

### 1. Friends Day.

We praise God for the Friends Day 2020 Zoom Conference. Key reports were rendered and a full video coverage as cast live on our Facebook page is available on <http://facebook.com/LivingBreadMissions/videos/264250184804012>

You can get there and connect with us. God bless you.

### 2. Yagaba GTTR Mission.

To the glory of God, the Get To The Roots (GTTR) training planned for the North East region came off successfully under strict observation of COVID 19 and health protocols from 21st – 28th June 2020. Participants were drawn from different churches and ministries and from different communities such as Logri, Yizeisi, and Yagaba. GTTR training is designed to equip Children's Teachers with requisite skills in sharing and sowing seeds of the Gospel into young lives irrespective of their background. The expected end-results are setting up of GNCs (Good News Clubs) in communities, schools, and empowering kids in Church. Twenty participants registered and 17 graduated. Through sponsorship, we

were able to provide TLEs (teaching and learning materials) as well as the care of participants during the period. Facilitators were drawn from Accra, Tamale, and Wa. Please pray for graduates to carry through with the vision of setting up working clubs for Gospel expansion in this region.

We praise God that attacks on the program, health challenges, and other problems did not stop the program. Deliverance from a car crash testifies of the Lord's goodness. He said, "And lo, I am with you to the very end of the ages." Matthew 28:20

### 3. LBM Farms Ltd.

Another season of farming is here and the LBM Farms Ltd is at work. The hazards of crop loss, partial fire destruction, and other challenges, we have successfully replanted about 200 mangoes and 150 coconuts to retain our 5 acres of mangoes and 6 acres of coconuts respectively. The season's rainfall pattern has been helpful, and we look forward to good yield during harvest. Further focus has been laid on vegetable cultivation – pepper and okra have been nursed and transplanted successfully. Pray with us as we raise support towards connecting the farmhouse to the national electricity grid; this will facilitate the staff's well-being and also support in processing farm produce at a level.

### 4. Outcomes of COVID 19 pandemic.

Due to the COVID 19 pandemic, many national programs and local church services have been on hold in our fields and churches. Our main resort for now is the Home/Family Cell gatherings which are very helpful for Disciple Making. This is beefed up with a weekly WORD OF HOPE broadcast on Facebook, Radio Broadcast in Ewe (Fafaa FM in the Volta Region), and prayer motivations through Whatsapp platforms. We have encouraged and engaged the believers' faith through technology and these small group meetings. The Precious Kids Academy also remains closed, except for the final year students of the Junior High grade who are back to School by government directive so that they can finish their academic work and proceed to Senior High School soon.

### 5. Donations to the Ashaiman-Lebanon Community.

Through the help of supporters such as DML (Discipling Marketplace Leaders), we have been able to help some few members and mainly our Church base in Ashaiman. We pause to say thank you to all who came to our rescue (heaven has the records) within this difficult time, especially for the Precious Kids Academy which was closed down by presidential/parliamentary instrument along with other private schools and churches.

# PRAYER REQUESTS

- A. Pray for the Good News Clubs - that the outreach to the children can continue regardless of circumstances: safely, effectively, strongly, boldly.
- B. Pray for His Word to continue to build His Church, even when church bodies can't meet together - that people will meet Him in their cell churches and homes.
- C. Pray for His provision to our missionaries who are still in the field doing His work.
- D. Pray for the Precious Kids Academy students who are preparing for their exams.
- E. Pray for God's Sovereignty in a world that seems out of control, but we know - He is in control. He is our Rock, our Strength, our Salvation.
