Glory Be To God for His Faithfulness

LBM Story.

The Living Bread Missions started as a simple obedience/response to God's call to reach to those under the enemy's hold spiritually, emotionally, and physically. The Lord was specific; "I have other sheep which are not of this fold; I must bring them also, and they will listen to my voice. So, there will be one flock, one shepherd." We, are grateful to God for His sustaining grace. We have come this far by faith. Many were the roadblocks and the challenges. We were tempted to stop and pack out, we closed down branches, and we fought our biggest battles with financial inadequacy – yet the Lord has been with us. This is our 24th Year of operation since December 1997. Keep praying with us as we plan towards celebrating our Silver Jubilee in August 2022. We are seeing God at work. Our key goals are bigger results for the Kingdom of God – more souls.

1. Celebrating His Goodness & Our Friends

As we celebrate God's goodness, we praise God for friends we have counted on. The LBM Friends Day has been a regular sweet reunion and renewal of trust. We have combined the graduation of students from the Pauline Institute (formerly, the Missions Training Program, MITRAP) with Friends Days. We thank God for such great friends who have stood with us – at home and abroad. We say, thank you FRIENDS. God bless you.

2. Ministers' Gathering & Friends Day 2021

took place from 25th – 28th May and was crowned with the Friends' Day on Saturday, 29th May. Gallant men and women have worked with us all these years – labouring in the fields for the Kingdom of God. Others have recently joined the fold to work for the Lord. We pray and ask for your support to help these men. Some even started with us in their twenties as missionaries and ministers of the Gospel. Help us to support for Staff Workers. God bless you richly.

The gathering of the LBM ministers coincided with Friends Day.

3. LBM Mission Farms Ltd.

The LBM Mission Farms Ltd is our idea to generate income to support our efforts at winning more souls through our training, outreach and church planting programs. The efforts at growing the coconut and mango plantation interspersed with plantain is yielding results. As the crops are taking off productively, we seek your prayer support to face the community challenges. Currently, we are seeking staff to replace the ones we have lost since January 2021.

God has blessed Ghana with warmth and rain, and LBM Mission Farms is flourishing. Continue to pray for a good yield and faithful workers.

4. Fulani School Project.

To the glory of God, the Fulani Community School project has taken off. We have started the construction of a two-classroom facility to help in bringing basic education to the G* village. Pray with us through the few challenges that come up. Pray for X (from another Fulani village) who has declared his allegiance to Christ. X had a personal encounter with the Lord Jesus Christ and is already paying the price of family neglect and business loss – but is resolved to stay through to the coming of Christ.

The Fulani School Project through Literacy Evangelism has broken ground. The village is helping. Even the women and girls are carrying water.
