

# Living Bread Missions

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Churched.

Volume 6, Issue 6

June 2021

## We Have Sown Productive Seeds

### 1. The Pauline Institute.

For the month of June, two major courses, Child Evangelism and Spiritual Warfare, were taught and learned. The Child Evangelism course brought so much light to this 'neglected/underserved' field of ministry - children. Again, to the glory of God, the Pauline Institute took another leap when we connected technologically to allow Dr. Michael Gross of the 5Fold Global Ministries team to lecture and have an interface with the student body for the week. It was a glorious time of learning together, and we hope to explore this further.

### 2. Bono Mission and the New Place of Worship.

Just recently, we had the notice of being ejected/quitted from the place of meeting where Discipleship happens in the Bono Mission project. It was an urgent need to respond to. So far, steps have been taken to 'fire-fight' the situation and provide a structure for meeting in Techiman. Pray with us and support this

### More Seeds To Be Sown Soon

For 24 years, the Lord has led us (the LBM) in very simple ways to sow seeds of the Gospel of Jesus Christ. We understand the power of SEEDS and know that quality seeds will by all means germinate and bring forth fruit at the RIGHT TIME – some 30, 60, and 100 times. We have trusted God, in spite of challenging moments and financial difficulties. We have believed in GOD'S INFALLIBLE word and it has produced fruit: "So is My WORD that goes out from My mouth. It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it." Isaiah 55:11. We have not competed and have not used statistics as our yardstick. We simply believe that we are SOWERS called to share the word of God in any form possible. It is important to note that the power for fruit bearing is not in the one who plants the seed but in the SEED sown. What we sow or share with people is GOD'S UNFAILING WORD (Mark 4:28). We are still desirous of SOWING & REAPING – what we need is partnership to do so. Come join us for SEED-SOWING.

project with the view of raising the planned Discipleship Training Centre.

### 3. Get To The Roots, Literacy Evangelism, and Professionals in Mission.

The training/discipleship input into these three collaborative programs are yielding great results.

a. Isaac Ayambilla who was trained in Garu has been running a Good News Club in his new school community called Bosomdo (literally meaning ‘on top of idols’).

Isaac testifies of God’s power at work when prayers are offered for the kids – but some parents are stopping their

kids from attending. The light is shining in the darkness and fighting with it – there are justified reactions.

b. Auntie Maria of Wulensi also runs a Good News Club with very exciting news on participation. Children from notable Unreached Peoples are excited to act as mobilizers of other kids to join the classes. Pray for these children to excel through life and become Kingdom agents.

c. Literacy Evangelism graduates from the April 2021 training in Zebilla have set up literacy classes with oral people being trained in their mother tongue. In Garu, two graduates combined to run three classes with over 20 first time learners. More classes are running in different locations among the Unreached People Groups in Ghana.

d. Plans are afoot for GTTR program for Tamale, Bimbilla, etc in the coming months. Designated funds for the GTTR have so far dried up and we are calling for fresh support. GTTR is an indispensable approach to reaching/raising more labourers as we bring children to Christ and prepare them for the Kingdom through Gospel seed-sowing.

### 4. Teaching and Learning material

for July to December 2021 is ready. Pray that this will be a motivator for serving God faithfully through evangelism, healings, and mission support raising through the rest of the year. In deed we need MORE LABOURERS (Matthew 9:38). Evangelism is for all believers – let’s preach Christ together!

# PRAYER REQUESTS

- A. Pray for the ministry of Bible translation. Giving the Word to people in their mother tongue is indeed a life-giving endeavor.
- B. Pray for the children who are attending Good News Clubs. Pray that they will learn to love the Lord with all their mind, strength, heart, and soul.
- C. Pray for work of the Literacy Evangelism graduates. What exciting work the Lord has given them to carry out!
- D. Pray for the seeds - the ones that have been, are being, and will be sown - and for the sowers.
