Keeping the Ministry Focus on People

1. Graduation, Graduation, Graduation.

The 2021 Batch of Pauline Institute of Mission and the Bible has completed their course of study and are due for a combined graduation with the 2018 Batch on Saturday, 11th of December 2021. We ask for your prayers that as they are released into the field, they will bear ABUNDANT fruit to the glory of the Master – John 15:16. Join us in this celebration and also help us support them in their chosen fields of ministry.

God grants to every man an opportunity to serve Him in a generation. For us in the LBM, we are called to reach underprivileged mission fields and collaborate with others to bring the Kingdom gospel to new communities. Our search is for God's target and love objects - people. The beloved, the target, and the ultimate goal of any service to God is human beings: persons and not objects. That is why if servants of God would concern themselves with structures and physical objects or intellectual issues rather than human beings, there would be questionable outcomes. LBM's priority remains people and the preaching of the Gospel that saves. What we need is partnerships that propel us to do more for the King of kings. Join us on this journey to exalt Jesus the Messiah!

Some youth of LBM are poised to reach out and share the LOVE of Jesus Christ with people in Dagbani lands. Plans are afoot and mobilization is ongoing to reach out to the University of Development Studies, Nyankpala and its surrounding communities. Pray with the team being mobilized for the trip from 19th – 26th of December 2021.

3. LBM Silver Jubilee 2022.

Hurray, the LBM chalks 25 years in 2022. We rejoice and invite you to celebrate with us through the schedules to earmark the Silver Jubilee. The Jubilee shall be launched in January 2022. Area and community celebrations are scheduled throughout the year. The official highlight is planned for 24th – 28th August 2022. Please plan to join us on occasions such as the Special Friends & Partners Day on the 28th May 2022 and/or attend the climax in August.

4. Income Generating Project

The LBM Mission farm project continues to make advances towards sustainability and profitability. In the just ended farming season, two (2) acres of rice were cultivated. The farm manager, Mr Emmanuel Ameku Mensah deserves a pat for his family's loving commitment to the project and the Church of Ve Koloenu. Both the coconut and mangoes plantations are also developing quite well, and we are expecting first fruits of the mango plantation in 2022. We continue to thank God for His provision.

The rice, mangoes and coconuts have grown as planned, and we can thank God for the fruits of the labor.

5. Update Ministry to Fulani.

To the glory of God, a two-classroom facility has been started to reach the younger generation in the Fulani village of GB. Pray for more finance to complete the project and more educational resources to engage them appropriately. By the grace of God, we have also been able to send J* a zealous Fulani convert for further discipleship and Biblical engagement and training in HK*. God has provided scholarship for J*'s studies. His school specializes in practical discipleship and field work. Pray

with us for adequate support on all these fronts. You are free to partner with us to reach these special people.

PRAYER REQUESTS

C. Pray for J*, the Fulani convert who is seeking more training so that he might engage his community for Jesus.
