

Living Bread Missions

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Churched.

Keeping our Generational Mandate

By investing in children and developing disciples, we fulfill our duty as described in Psalm 78:5-7

The Christian faith travels on the back of people who know their God. Daniel affirms, "And such as violate the covenant he shall pervert and seduce with flatteries, but the people who KNOW THEIR GOD shall prove themselves strong and shall stand firm and DO EXPLOITS (for God)" Daniel 11:32.

It is time to become GENERATIONAL THINKERS in terms of the ministry. In LBM, we make a commitment and call on

others to join us fulfill the heavenly vision of reaching the younger generation!

"...He commanded our fathers, that they should make them (his testimony and laws) known to their children; that the generation to come might know them, the children who would be born, that they may arise and declare them to their children. That they may set their hope in God and not forget the work of God but keep His commandments..."

1. Potters' Factory Story.

An offer has been made to the Potters' Factory assembly of LBM worshipers in Segbe to buy their rented place of worship in the Republic of Togo which they have used for almost 10 years. Pray and support us to be able to raise the needed funds to pay off the cost and use this location for impact and an attraction for the preaching of the Gospel.

A factory? No, it's a church in the making, God willing.

2. OCC/Samaritan Purse Partnership - The Journey and Results.

Various branches of the LBM have made very strong follow ups with children who were reached with the gospel through the Samaritan Purse gifts known as Operation Christmas Child. For the period of June 2023, the twelve-week Discipleship classes captioned 'The Journey' had been administered/continued with the deserving seriousness by Pastors, Sunday School teachers, and a dedicated class of people.

3. Gathering to Praise God.

The Tema-Ashaiman district of the LBM gathered to appreciate the goodness of God and to celebrate Him together at the Faith Assembly in Zenu. The gathering also gave an opportunity to raise support to help with the start of a place of worship which will be exclusive use of children - the next generation.

4. June - Our Family Enrichment Month.

In support of marriage and strong families, different assemblies of the LBM observed a month of family enrichment activities. In the Vision Assembly in Ashaiman, the Men's Ministry spearheaded seminars and open discussions on critical issues bordering on marriage and the home. Same approach was adopted by the Faith Assembly in Zenu as well. Many were blessed and encouraged to uphold Godly marriages. Pray for Christian marriages to be preserved and shielded from the fire of worldly systems.

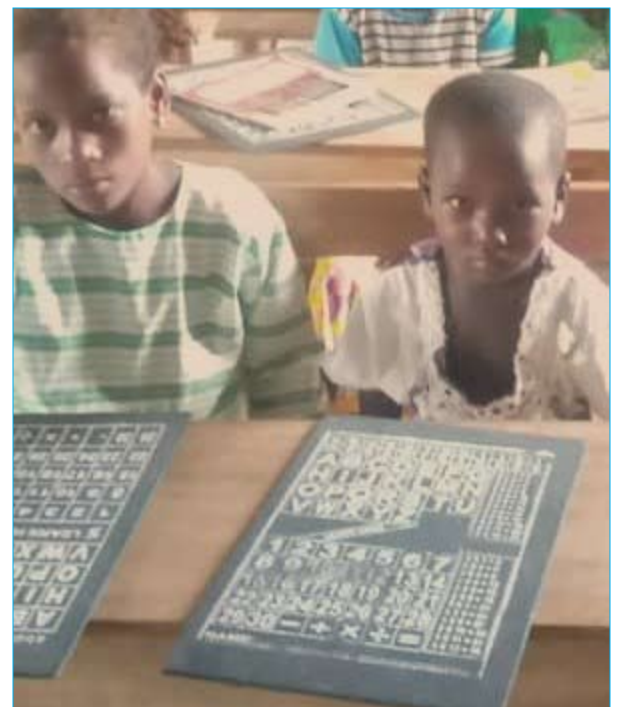

5. G* Fulani School Report.

Praise God the numbers are increasing gradually and gradually. Parents are showing interest in their children joining the school. The teacher, Joseph, tells of some adults who are personally showing interest in learning. One such adult is a young mother, Fatima. She was impressed with the performance of her child and thereby asked for an opportunity to be part of the school, if only the teacher will allow the adults (she and her friends). Pray with us as we seek God for a strategy, mother tongue personnel, and needed resources to tackle adult learning for such an interest group.
