## Pressing On Towards Discipling All

LBM activities focus on winning more souls for our Lord and Saviour

### 1. Pauline Institute of the Bible and Missions.

The students of the Pauline Institute continue to receive necessary preparation to take the Gospel to all categories of people. Lessons on community development, child evangelism, salvation and redemption, and Islam were featured in the last few months. Since Islam is one of the core concerns among the Unreached People Groups, it is a vital component to be understood. Pauline was privileged to receive the ministry of Rev. Jeff Korum of Awaken to the World. Much light was thrown on the principles and processes involved in ministry to the Muslims.

We all need reminders of our primary calling. It is very easy to deviate and get involved in so many other issues of life in the name of God. As an example, the Apostle Paul reminds us that the most important thing is to bring people to the knowledge of the Holy One and present them as an acceptable offering to God. Are you on track? Do you support those on track? Are you willing to go all out for the Master? Time is ticking away, and we must be on the move for Him - in a good way.

### Romans 15:15-16 NIV

*15 Yet I have written you quite boldly on some points to remind you of them again, because of the grace God gave me 16 to be a minister of Christ Jesus to the Gentiles. He gave me the priestly duty of proclaiming the gospel of God, so that the Gentiles might become an offering acceptable to God, sanctified by the Holy Spirit.*

*Pauline Institute students have many opportunities to learn how to disciple and to reach Muslims.*

## 2. The Fulani Mission Outreach.

The Fulani School in G village continues to grow. Children who have never been to school have now started counting numbers, pronouncing words clearly, and are equally excited to be in school. The teacher, Jaco\* (not his real name) is happy and zealous in taking these kids on the new expedition of life. Aside his commitment to this job, Jaco does part-time farming to help his young family survive. The Special Appeal for a motorcycle still continues, which would enable Jaco reach his students and minister in the surrounding communities for the Lord.

*Above: More Fulani are immigrating to Ghana from Burkina Faso, and our LBM-sponsored representative was there to greet this family.*

*Below: The Bono Mission continues to spread the gospel to the unreached, with emphasis on discipleship.*

## 3. The Bono East Mission.

Pastor Isaac Adu-Nyarko and the family continue to shepherd God's flock in Techiman through discipleship. Pray for the family that more resources are made available to strengthen the work, and especially that the Disciples' Center project will come to fruition. Beatrice recently received further training to support work with children as Isaac also continues with the Professionals in Mission program aimed at disciple-making. The Executive Council recently paid an official visit.

#### 4. It's Getting Bigger, Better, and Exciting - OCC/Samaritan Purse.

More children are being graduated through the Samaritan Purse collaboration with the children's ministry of the LBM. The Vision Assembly class graduated 40 children after completing their classes in July. Pray that all these children will be obedient 'lifetime followers and examples' of Jesus Christ.

*At right and in the middle: It was Vision Assembly's turn to celebrate the students who graduated from Operation Christmas Child's Discipleship program through Samaritan's Purse.*

*The Professionals in Mission program strives to engage young professionals in ministry.*

## PRAYER REQUESTS

1. Pray for the Annual Missions Convention scheduled for August 30th to September 3rd. Pray that all attendees are prepared to receive what God has for them and are willing to answer His call.
2. Pray for teachers as they launch a new school year. They have so many important tasks: teaching students the school and Bible curricula, setting a godly example for the students, preparing the very best lessons.
3. Pray for Christians who serve in professional capacities in the secular world: teachers, doctors, nurses, social workers, first responders, architects, bankers.
4. Raise a prayer cover for ministries committed to reading the Fulanis Muslims.
