

# Living Bread Missions

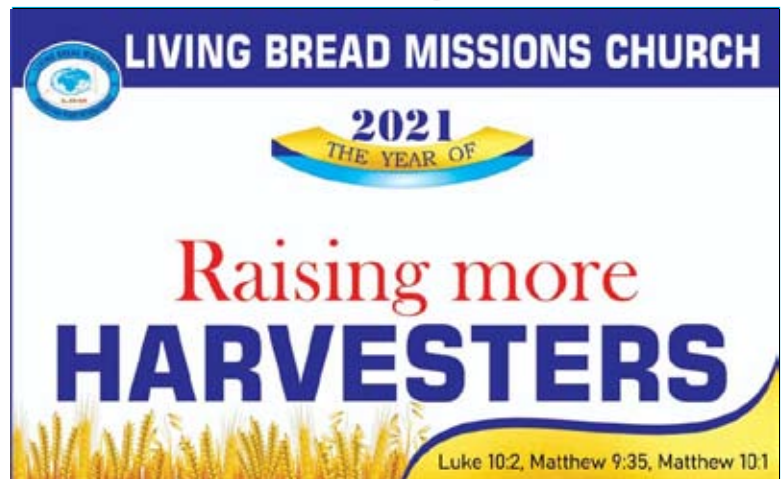

Responding to the Great Commission to Go, Preach, Teach and Disciple the Nations (Matthew 28:19-20). We hasten the Lord's coming by Reaching the Unreached and Training the Churched.

## Celebrating Kingdom Victory in the Midst of Challenges

Discipleship is of great necessity in our generation. Jesus was very specific when He spoke to the disciples. Initially He said, "Follow me and I will make you fishers of men." Matt 4:19, Mark 3:13-15. In closing, He said, "As the Father has sent me, so I send you" (John 20:21). If He was preoccupied with Discipleship, why wouldn't the Church follow in the same pattern? We have to follow suit and be Disciple-Makers (Matt 28:18-20; Galatians 4:19). If this is the way the Master went, should not the servant tread the same?

*God has big plans for Bono. The team trained and then reached out into the community. Top right: New converts from the mission outreach.*

### 1. Bono Mission Outreach.

A team of ten young people drawn from some branches of the Living Bread Mission visited and supported the new mission field in Techiman. Ten days of outreaches yielded good results and many people who

heard the Gospel through personal contacts. Some have accepted Christ and a few more have started joining the local church to learn of the Lord. We are grateful for all the prayer and material (financial) support which made this possible.

## 2. My Redeemer Liveth Assembly.

The latest work - church plant of the LBM was inaugurated on the 6th of December 2020 at Solomon City in Adjei Kojo in the Tema West area. The work is led by Evangelist Victoria & Kwamena Anthony. Victoria is a graduate of the Pauline Institute, and the couple have been passionate to see God glorified through this new work. Pray for the couple as they labour to expand God's Kingdom from this direction.

## 4. An AWARD from GEMA.

The LBM was honored for the work of mission in Ghana over the past 23 years; namely, ministry to the unreached - particularly Church planting, training of disciples, and conducting development work in targeted communities. We do hereby appreciate the Ghana Evangelical Missions Association for this recognition. We dedicate this award to the men and women (missionaries) who have served in Ghana and Togo fields as well as our devoted SUPPORTERS over the years.

*Chamba kids have already begun enjoying the Good News Clubs that grow from the GTTR training.*

## 3. Fruit from Get To The Roots Training programs.

The Get To The Roots program has seen much activity and risk-taking in spite of the Corona scare and the challenges of travel. Three training activities were organized in

Yagaba (June), Wulensi (August), and Chamba (Nov/Dec). In all more than 80 teachers have been mobilized and trained within the period. Testimonies keep coming in from the trainees. One learner from Chamba testifies that his capacity to teach is

effectively being applied to impact 48 boys and 56 girls in the community and Church. Many more teachers have mobilized kids and started impacting them with the skills developed and honed through the GTTR. As schools resume, we foresee greater impacts and results.
